- The assignment is submitted after the due date.

All types of plagiarism (copied) are strictly prohibited.

Feasibility Report

The feasibility report will serve as an outline for the proposal and help you think more generally about how your product or service is going to work. It includes a summary of each of the sections included within your final proposal.

Here are the sections of your feasibility report:

1. Introduction/ background
2. The proposed project
3. The market
4. Organizational and operational infrastructure
5. The benefits
6. Outline implementation plan
 - Plan over Time using Gantt chart. (Ref: ISO- 12207)
7. Cost Benefit Analysis
8. Risks:

Explain the primary barriers and challenges to success. These might include technical challenges, price and availability barriers, legal hurdles, market barriers, competition etc

Good Luck ☺
